**General Area or Research Direction**
(Keywords or a short description is sufficient.)
This is not a thesis proposal, but only serves to identify the student’s research supervisor.

---

Students in the first year who are serving as TA’s or receiving Fellowships (and are so far unable to identify a thesis supervisor and research project) should register for three units of Subject 6.961 (Intro to Research in Electrical Engineering and Computer Science) as a supplement to classroom subjects. The intent of 6.961 is to assist students in the research advisor selection process.
