

**The Electrical and Optical Characterization  
of the InGaAs/InP Alloy System**

by John M. Doe

[Previous/Other Information: i.e.: S.B., C.S. M.I.T., 2010]

Submitted to the  
Department of Electrical Engineering and Computer Science  
in Partial Fulfillment of the Requirements for the Degree of

Master of Engineering in Electrical Engineering and Computer Science

at the

Massachusetts Institute of Technology

May 2010
